Written Task

Using only the website: <https://lakelandclimbingcentres.co.uk/centre/lancasterwall/> please write a reply to the following customer enquiry and return via email with your application form before 11.59pm on 13th August.

Hi,

Apologies to bother you, I was trying to find what I needed from your website but decided it may be easier to message instead.

We are coming to Lancaster in a few weeks and interested in climbing. There will be 2 adults and our 8 year old son. None of us has tried climbing before.

Therefore, could you confirm costs? And what we book and what that includes please? Do we all get to go around different climbing apparatus as we please? And times?

Thanks for your time. We are there the week of 14th of August.

Many thanks, Jenny
